DEVELOPMENT SECRETARIAT

Transfers the Headquarters of the Bureau of Mineral Development from Bageshapura to Bangalore.

READ—

Government Order No. C. & D. 1378-80—Geo. 63-51-2, dated 20—24th December 1951. sanctioning the organisation of the Bureau of Mineral Development and its location at Bageshapura,

(2) Correspondence ending with letter No. G. 5120, dated 4th August 1954, from the Director of Geology, Bangalore, requesting in the circumstances stated sanction of Government for the transfer of the Head Quarters of the Bureau of Mineral Development from Bageshapura to Bangalore, the Geologist in-charge, one clerk and one peon being transferred to Bangalore to form the office of the Bureau, and the staff of the Bageshapura Kaolin Works, which was merged with the Bureau at the time of its organisation, continuing at Bageshapura alone, with the Assistant Geologist to supervise the works.

ORDER No. C. & D. 2088-90—GEO. 7-54-12, DATED BANGALORE, THE 12TH AUGUST 1954.

Sanctioned.

R. J. REGO,
Secretary to Government,
Development Department.

EDUCATION SECRETARIAT

Sanctions the N.C.C. Expansion Programme.

READ—

Government Order No. E. 1610-12—Uni. 47-48-1, dated 26th August 1948, sanctioning the N.C.C. Scheme as planned by the Government of India for imparting Military Training to 315 Senior Division Cadets (1st Mysore Battalion N.C.C.).

2. Government Order No. E. 7065-7—Uni. 47-48-28, dated 5th January 1950, accepting the allotment of one Engineering Platoon and three Junior Division Troops of N.C.C. to this State by the Government of India.

3. Letter No. 0010-54—N.C.C. 3140—D (IS), dated 15th May 1954, from the Joint Secretary to the Government of India, Ministry of Defence, communicating revised policy in the matter of sharing the expenditure on N.C.C. between the States and Centre.

4. Correspondence ending with letter No. 0390-54—A.I.R.—N.C.C., dated 4th May 1954, from the Director, N.C.C., Ministry of Defence, regarding raising of Air Wing units in this State.

5. Un-official Note No. G. 7—54-55, dated 12th May 1954, from the Registrar, Mysore University, stating that the University Council at the meeting held on 3rd May 1954 have resolved to take steps to form an Air Wing in the N.C.C. with two officers and 50 cadets and an additional Infantry Company involving an extra expenditure of Rs. 50,000 annually over and above the normal grant of Rs. 75,000 for the N.C.C. each year.

6. Correspondence ending with un-official Note No. 3—G.—N.C.C., dated 7th July 1954, from the Circle Commander, No. 10 Circle N.C.C. requesting early decision in respect of the expansion programme as proposed by the Government of India.

7. Un-official Note No. 62—54-55, dated 14th July 1954, from the Director of Public Instruction in Mysore stating that the expansion programme proposed by the Centre in the Junior Division Sector is acceptable and that the extra cost involved in this connection during 1954-55 can be met from the expected saving under the provision of Rs. 50,000 made for Junior Division units in the budget of the current year.

8 Telegram, dated 7th August 1954, from the Secretary to the Government of Mysore, Education Department, to the Secretary to the Government of India, Ministry of Defence intimating the acceptance by this Government of the expansion programme proposed by the Government of India.

ORDER No. E. 8144-52—UNI. 11-54-33, DATED BANGALORE, THE 13TH SEPTEMBER 1954.

1. Under the arrangements entered into by the Government of India with State Governments at the time of sponsoring the N.C.C. Scheme in the year 1948-49, the former undertook to bear the expenditure on the pay and allowances

of Officers and Junior and Non-Commissioned Officers of the Regular Army who would be posted to the N.C.C. units in the States and to provide arms and ammunition and equipment required for training purposes by the units, while the latter had to bear the responsibility for the expenditure on the maintenance of the units, including pre-commission training of N.C.C. Officers and supply of uniforms to the cadets. These arrangements contemplate a division of liability between the States and the Centre roughly in the ratio of 2 : 1. Under these terms, three units, *viz.* 1st Mysore Battalion N.C.C., 9th Mysore Engineering Platoon N.C.C. and 9 Junior Division Troops (3 more have since come over after the integration of Bellary District) were raised in this State and they are still in existence.

2. For some years past, the Government of India have been urging expansion of the N.C.C. in this State, but it has not been possible to embark on any expansion programmes for want of adequate finance. The Government of India have, however, been moved in the past either to bear the entire expenditure on N.C.C. themselves or to increase their share of liability in a greater measure.

3. While appreciating the above position, the Government of India have reviewed the policy with regard to Central assistance to N.C.C. on an All-India plan and have decided to accept from the year 1954-55 financial responsibility, equivalent to about 50 per cent of the total expenditure on the N.C.C.

4. Accordingly, they have decided to accept the following additional expenditure on N.C.C. units :—

(*a*) Provision of uniforms to new units and replacement of uniforms in respect of existing and new units.

(*b*) Fifty per cent of expenditure on annual and Cadre Camps of all units of the Senior, Junior and Girls Divisions.

5. The above increase in the Central share of expenditure is subject to the following conditions :—

(*a*) The State Government should continue to maintain expenditure on each Division at the level of expenditure for 1953-54. If the expenditure on any Division is less than that incurred by the State in 1953-54, the share of the Centre would be limited to the sum over and above the actuals of the State expenditure during 1953-54.

(*b*) The State Government should agree to implement fully the recommendations of the States Representatives Conference, which have been accepted by the Central Government with regard to allowances to N.C.C. Officers, provision of accommodation and allied matters.

(*c*) The additional sum made available by the Centre under the new arrangement is fully utilised in the expansion of N.C.C.

6. As a consequence of the above Central aid, the Government of India have allotted the following new units (Senior and Junior) to this State :—

Senior Division.

		Officers	*Cadets*
1. One Infantry Coy.	... ...	3	154
2. One Air Squadron	... ...	2	80
3. Two Girls' Sub-Troops	... ...	2	60

Note.—The Air Squadron will consist of 2 Officers and 25 Cadets to start with, raising progressively to 2 Officers and 80 cadets in the fourth year.

Junior Division.

		Officers.	*Cadets*
1. Two Girls' Troops	... ...	2	60
2. Two Army Troops (Infantry)	... ...	2	66

7. In his letter dated 4th May 1954 (read in the preamble), the Director, N.C.C., has suggested the conversion of six Junior Troops (Infantry) into an equal number of Air Wing Troops which will in course of time feed the Air Wing of the Senior Division. This means that the existing 12 Junior Division Troops (Army Wing) including the three in the Bellary District will be reduced to eight Troops and the two new Junior Army Troops allotted to this State for 1954-55 converted into Junior Air Wing Troops.

8. According to the calculations furnished by the Ministry of Defence Government of India, in their letter dated 15th May 1954 (read in the preamble)' the extra financial aid from the Centre in respect of the existing units of this State is estimated at Rs. 32,237 and the new units to be started, both under Senior and Junior Divisions, are estimated to cost the State to the extent of Rs. 74,103.

9. But on verification, the State's liability (less the Centre's help) in respect of new and existing units for the current and next three years would be approximately as follows :—

Senior Division Units.

I Year (1954-55).

		Rs.
1.	Expansion Programme	55,388
2.	Existing Units	57,700
	Total ...	1,13,088

II Year.

Expenditure on old and new units		95,770

III Year.

Expenditure on old and new units		1,38,760

IV Year.

Expenditure on old and new units		1,44,575

Note.—The above estimates are calculated to suit the four years' course of the Air Wing.

Junior Division Units.

I Year (1954-55).

1.	For conversion of 4 Junior Army Troops into Air Wing Troops	19,684
2.	For raising and running 2 Air Wing Troops	9,842
3.	For raising and running of 2 Junior Girls' Troops ...	6,400
4.	For running existing 8 troops	21,290
	Total ...	57,216

10. From the second year onwards the cost of maintaining all the above Junior Division Units would be about Rs. 36,716 (less Central aid).

11. As regards funds, it may be observed that even before determination of the additional Central aid, this Government had contemplated expansion under the Senior Division and made an additional provision of Rs. 50,000 in the University budget for 1954-55 over and above the usual provision of Rs. 75,000 meant for the existing units as in 1953-54 and the previous years. There is a provision of Rs. 50 000 in the Education Budget for 1954-55 for the Junior Division units as against Rs. 28,000 provided for these units in the last year's (1953-54) budget.

12. The Registrar, Mysore University in his Un-official Note, dated 12th May 1954 (read in the preamble) has stated that the University Council have decided in favour of the expansion programme (Senior Division) involving an extra expenditure of Rs. 50,000 annually over and above the normal grant of Rs. 75,000 each year.

13. The Director of Public Instruction has in his Un-official Note dated 14th July 1954 (read in the preamble) accepted the expansion programme proposed under the Junior Division Sector and has suggested that the extra cost of about Rs. 7,000 involved in the expansion during the current year be met from the expected savings in the provision of Rs. 50,000 in the Education Budget.

14. With the additional Central aid and with the amounts available in the University and Education Budgets for the current year and those promised by the University for succeeding years, the expansion proposed by the Government of India, both under the Senior and Junior Divisions, as mentioned in paragraphs 6 and 7 *supra*, can be undertaken without additional provision over and above that made in the current year's budget.

15. As regards the other conditions attached to the additional Central aid, it is obvious from para 11 that this State has not only maintained the last year's (1953-54) level of expenditure in respect of N. C. C. units but has raised the

grants during the current year (1954-55) by Rs. 50,000 in the case of Senior and Rs. 22,000 in the case of Junior Division Units. Honorarium to the N. C. C. Officers as recommended by the State Representatives' Conference was sanctioned in this State long ago in G.O. No. E. 10264-70—Uni. 35-51-158, dated 27th October 1952. Suitable accommodation has not only been provided for the existing units, but this Government have under contemplation the construction of new buildings and the question is already engaging the attention of the Circle Commander, No. 10 Circle, N. C. C. and concerned officers of this State.

16. In the above circumstances, Government are pleased to accept the additional aid offered by the Government of India for N. C. C. and accordingly sanction the raising during 1954-55 of the new units allotted to this State both under Senior and Junior Divisions as mentioned in paragraphs 6 and 7 *supra*.

17. The expenditure on the new units will be met from the N. C. C. Fund (Senior Division Units) and the fund head of the Junior Division units. The Registrar, Mysore University and the Director of Public Instruction are requested to move the Accountant-General, Mysore, to have the amounts provided for N. C. C. in the current year's University and Education Budgets transferred immediately to the respective Fund Heads.

18. An additional provision of Rs. 50,000 will be made for N. C. C. in the future budgets of the University over the normal provision of Rs. 75,000. The provision of Rs. 50,000 made in the budget of the Education Department for the Junior Division units will be repeated in the budget of the Department for future years.

19. Separate orders will issue sanctioning the detailed estimates for the different units for the current year.

B. M. KRISHNAN,
Secretary to Government,
Education Department.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Approves the Rules for regulating the levy and collection of duty on transfers of immovable properties in Pavagada Town Municipality.

READ—

Letter No. R2. C. 1294—54-55, dated 15th July 1954, from the Commissioner for Local Self-Government in Mysore, Bangalore, forwarding for approval of Government the draft rules for regulating the levy and collection of the duty at one per centum on the amount of consideration in respect of sales, gifts, and mortgages of immovable properties in Pavagada Town Municipality, as resolved by the Town Municipal Council, Pavagada, in its meetings held on 29th May 1952, 30th June 1953 and 17th August 1953 and stating that the prescribed formalities have been observed in this behalf.

ORDER No. L. 6960-67—ML. 111-54-25, DATED BANGALORE, THE 16TH SEPTEMBER 1954.

The appended rules for regulating the levy and collection of duty at one per centum in respect of sales, gifts and mortgages of immovable properties in the Pavagada Town Municipality adopted by the Council are approved.

2. The above levy shall come into effect from 1st October 1954.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and Planning Departments.
